MCA	Ministry of Company Affairs
MEITY	Ministry of Electronics and Information Technology
STQC	Standardisation Testing and Quality Certification
ISO	International Organization for Standardization
CML	Certification of Manufacturing License
GSTN	Goods and Services Tax Number
PAN	Permanent Account Number
MSA	Master Service Agreement
SLA	Service Level agreement
PoA	Power of Attorney
TPs	Technical Parameters
LIN	Labour Identification Number
IATA	International Air Transport Association
MTO	Multimodal Transportation Operator
DAVP	Directorate of Advertising and Visual Publicity

1 Objectives of Validation of service provider:

Validation of Service Provider focusses on validating Management, Operational, Reputational, and financial capabilities of Service providers, for the purpose of swift and reliable participation in GeM transactions. It authenticates the credibility and capability of a seller in the procurement through GeM. The validation is carried out for either or both of the following parameters:

- Validation of certification for service providers in Service Procurement.
- Validation of Project Experience of the Service Providers in Service Procurement.

2. Process flow for Service Provider in case of Services

- GeM portal will enable the vendor to apply for registration with dedicated login. The portal facilitates the Validating agency to read & write back approval/notified/rejects statuses etc.
- Once the registration application is submitted by the bidder, the application is moved to RITES queue for approval.
- RITES will assess the uploaded certificates as per SOP as issued by GeM including validation from the API/website of certifying/licensing agencies.
- Based on outcome of assessment, following shall be followed:
 - (i) **Successful Verification:** User account will be approved.
 - (ii) **Unsuccessful Verification:** User account will be rejected with reasons of rejection.

2.1.1 Validation of Certification

RITES shall validate the following certification of service provider:

- Company name
- Mandatory certification (if applicable)
- Validity
- State for which license has been issued

The process followed for validating certification is as follows:

Sr. No.	Assessment	Process	Validation
1	Company name	Company Registration No. (CIN No.) GSTIN No. (if applicable) PAN No. (if applicable)	Verification from GST WEBSITE https://services.gst.gov.in
2	Mandatory certification	i. With Availability of API: The following certification shall be validated by API integrated with GeM. a. FSSAI: Mandatory certificate required for canteen service, catering service, packaged drinking water service and healthcare kitchen and dietary service b. BIS: Mandatory license required for Hiring of Packaged Drinking Water Bottle etc. ii. Without Availability of API: The following certification shall be validated manually through website till API is integrated by GeM with respective organization. a. PSARA: Mandatory certificate for security manpower service and healthcare security service b. CIBRC (Rule 10 3-A) Form VI-C/ Form VIII : Mandatory for pest control service) c. MEITY Empaneled and STQC Audit: Mandatory for Cloud related Services d. ISO Certification	Link for validation source: https://foscos.fssai.gov.in Link for validation source: Validated from the weekly updated BIS API created by GeM. Data shared by BIS on weekly basis. https://www.manakonline.in/MANAK/ ApplicationLicenceRelatedipt Link for validation source: https://psara.gov.in Link for validation source: https://ppqs.gov.in Link for validation source: https://meity.gov.in/content/gi-cloud-meghraj (or as updated from time to time) Voluntary Certification

Note: In addition to above mentioned certification, any other certificate verification if required for a given service will also be included for verification as required by GeM.

2.1.2 Process of Validation of Project Experience:

Steps	Assessment Parameters	Action to be taken for Validation
EXPERIENCE DETAILS		
Step 1	Department Name Order Number Project Duration Project Value Buyer Name Designation Official phone number Official email ID	After validation of Certificate, RITES validate Project Experience by sending a confirmation e-mail to the Buyer department (contact details as provided by the service provider). As per Confirmation (Yes/No) received from Buyer, status shall be updated accordingly.
Step 2	Rigorously follow up with the buyer department Send reminder email to the department every 2 nd day	After sending confirmation mail is sent to the Buyer organization, RITES shall follow up rigorously for 4 working days via phone call shall be made to the Buyer department (contact details as provided by the service provider). Also, RITES will send two reminder e-mails to the Buyer within 4 working days for getting reply to RITES' email.
Step 3	Action taken on the 5 th day	In cases, positive confirmation is received from the Buyer, the application status will be Approved . In cases where a negative response / no response is received; the application status will be Rejected .

Note:

- Turn around time (TAT) for validation of service provider is 5 working days. In case document for the application is under scrutiny for the validity/genuineness. The status of application will be updated on the dashboard after scrutiny is completed.
- Depending upon the verification of above documents; status will be approved or rejected
- If Buyer does not respond within 5 working days, Experience will be rejected.
- If Certificates and Project Experience is mandatory and mandatory document is incorrect then RITES will reject that catalog. After rejection of catalog, service provider can upload the catalogue again after 5 days.

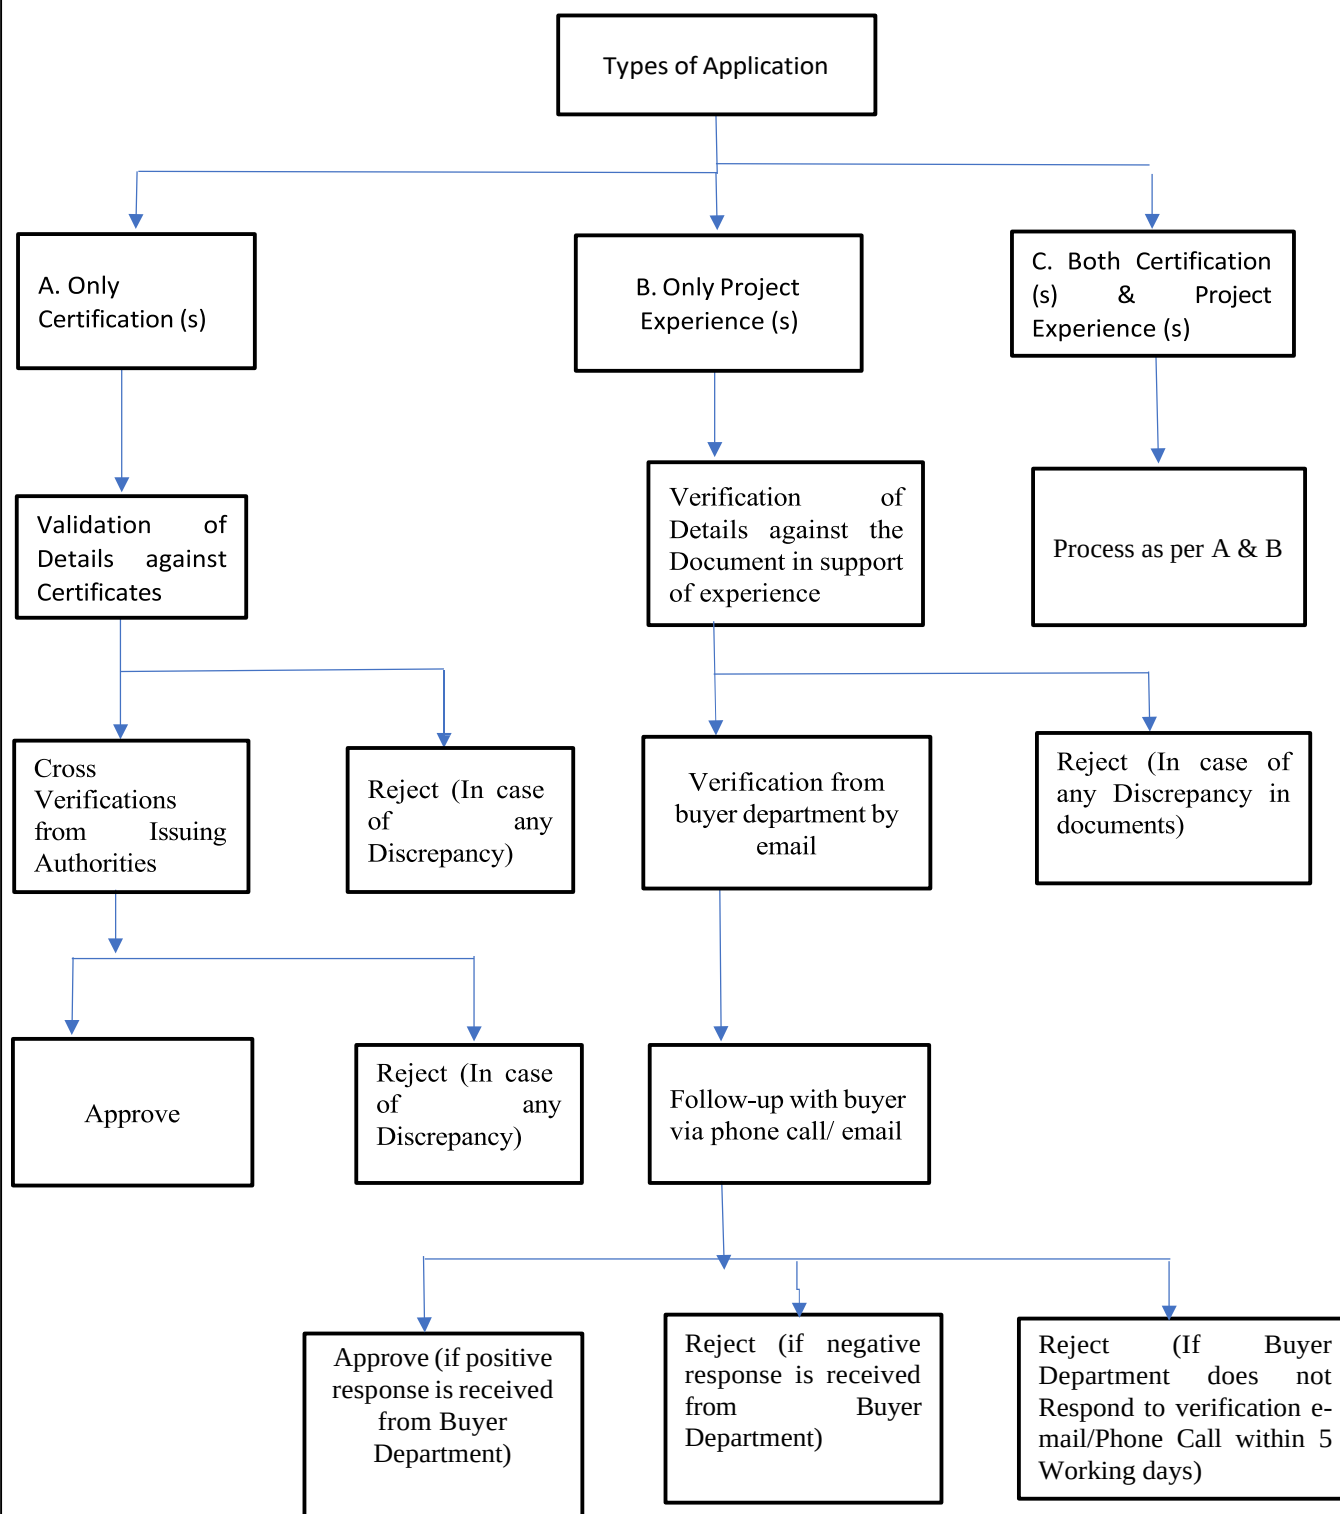

2.2 Probable Reasons of Rejection for “Certificates” and “Experience”

1	The previous application is under examination to confirm genuineness/validity of the submitted documents/certificates.
2	The certificate details do not match with the issuing authority's database
3	Few pages with relevant information are missing from the uploaded certificate. Kindly reapply with complete certificate.
4	Certification details (license number/expiry date) mentioned on the portal are not matching with the details mentioned in the document uploaded. Kindly re-submit the application with correct details against each field.
5	The name of the organization does not match with the name mentioned in the certificate. Kindly reapply with correct name/certificate.
6	The state name mentioned in the application (portal) does not match with the one mentioned in the certificate. Kindly update the state name as per the certificate and reapply.
7	The uploaded certificate is expired. Kindly upload renewed certificate.
8	The scope of the certificate uploaded by the service provider does not match with the scope of the certificate defined by GeM. Kindly re-apply with relevant certificate as requested against the field.
9	The certificate should capture the financial details of the latest 3 financial years. Kindly re-apply with correct certificate.
10	Certificate could not be validated through the issuing authority database/website.
11	LIN could not be validated from issuing authority database as necessary details (establishment name /state/district) are missing from the document uploaded, kindly re-apply with supporting document(s) EPFO/ESIC/GSTIN/CLRC/or any other identifier basis which LIN is issued to your organisation.
12	Only IRDA licensed insurance service providers are eligible to participate against GeM bids. Insurance brokers are ineligible to participate in the bids.
13	It has been observed that 2 CSP's details have been provided against different certification fields, Kindly reapply with all the documents from one CSP only.
14	The certificate uploaded by the service provider is not as per the certificate requested. Kindly reapply with a valid and correct document against the field.
15	The application has been rejected as your account has been suspended
16	Details entered in the form are forged/ tampered as per Buyer department's claim.
17	The document uploaded is not readable. Kindly upload a clear version of the document
18	The project value entered pertaining to the scope of the service cannot be ascertained from the document uploaded. Kindly reapply with additional documents along with the workorder (RFP/ tender/ proposal/ completion certificate).
19	The project value provided is for the entire project duration. Kindly provide the value proportionate to the executed/ carried out duration.
20	As per the Buyer department's records, the project value mentioned on the portal is not correct. Kindly reapply with correct details.
21	The details of sub-contract executed by the service provider are invalid as per the concerned buyer department.
22	As per the Buyer department's records, the service provider has uploaded past experience pertaining to a different scope of work. Kindly reapply with past experience relevant to the scope of service as defined by GeM.
23	As per GeM Policy, only NIC emails and Departmental/Company domain Email IDs of the buyer department are acceptable. Kindly provide a valid E-mail id.

24	As per the GeM policy, projects executed during the last 3 financial years are acceptable. Kindly reapply with valid project experience.
25	Few pages with relevant information (scope of work, duration, project value) are missing from the uploaded document. Kindly reapply with complete documents (original work order/ extension document/ annexure/ RFP/ tender, etc.)
26	The buyer details provided in the request are invalid (mail bounced/ incorrect). Kindly reapply with valid buyer details (alternate email id).
27	The buyer details provided by the service provider are invalid (service provider has provided their own details). Kindly reapply with valid buyer details.
28	The documents uploaded/information provided for project experience are repeated. Kindly upload different project experience documents against respective fields or remove duplicate project experience.
29	As per the GeM policy, executed projects of government entities are considered as valid project experience. Kindly reapply with valid project experience.
30	Incorrect certificate uploaded. Kindly reapply with valid CSP/MSP certificates as per Meity Guidelines.
31	The concerned buyer department refused to validate the project experience. Kindly connect with the concerned person in the Buyer's organization to help GeM in validating your project experience. Kindly reapply once done.
32	The details of the project experience entered in the form could not be determined from the uploaded /attached documents. Kindly reapply with valid documents as per the scope of the service.
33	The project value of the executed project entered on the portal does not match with the value mentioned in the uploaded document. Kindly reapply with correct value.
34	As per the Buyer department's records, the project duration/time frame mentioned on the portal is not correct. Kindly reapply with correct details.
35	The service provider is not empanelled with NICSI. Kindly upload a valid certificate issued from National Informatics Centre Services Incorporated, NICSI, and reapply.
36	The time frame /duration mentioned on the portal are not matching with the document uploaded. Kindly reapply with correct duration.
37	The work order pertains to a product category. Kindly reapply with project experience pertaining to the scope of the service applied on portal.
38	Project details (Value, duration, department name, etc.) mentioned on the portal are not matching with document uploaded. Kindly reapply with correct details against each field.
39	The organization name mentioned on the portal does not match with the organization name provided in the uploaded document. Kindly reapply with correct name/document.
40	The project value of the executed project entered does not match with the value mentioned in the document uploaded corresponding to the scope of the concerned service. Kindly reapply with correct project value/document.
41	The documents provided for project experience are of an ongoing project. As per the GeM policy, documents from successfully completed/ executed projects of government entities are allowed.
42	The scope of service as defined by GeM does not match with the scope of the work experience uploaded by the service provider. Kindly reapply with relevant project experience pertaining to the service applied for.
43	Project experience could not be validated as no confirmation has been received from the Buyer department. Kindly connect with the concerned person in the Buyer's organization to help GeM in validating your project experience. Kindly reapply once done.
44	The performance against the cited project experience has not been confirmed satisfactory by the department.

Note: The list is subject to modification from time to time.

Annexure 1 – Service Approval Process

Annexure 2 – Categories of Certificates under various Services are as follows:

A. Mandatory Certificates

i.	BIS	(Bureau of Indian Standards)
ii.	FSSAI	(Food Safety and Standards Authority of India)
iii.	CIBRC	(Rule 10 3-A) Form VI-C/Form VIII/Form III (Central Insecticide Board and Registration Committee)
iv.	PSARA	(Private Security Agency Regulation Act)
v.	MCA	(Ministry of Company Affairs)
vi.	MEITY Empanelment (Ministry of Electronics and Information Technology)	
vii.	STQC	(Standardization Testing and Quality Certification)
viii.	DGR Empanelment	
ix.	IRDAI	(Insurance Regulatory and Development Authority of India)
x.	NABL	(National Accreditation Board for Testing and Calibration Laboratories)
xi.	Compliance with Labour Laws (https://labour.gov.in)	
xii.	IATA	(International Air Transport Association)
xiii.	Drug Licenses (Form 20B/21B in case of Wholesaler, 20/21 in case of Retail)	
xiv.	Multimodal Transport Operator (MTO) under MMTG Act 1993	
xv.	LIN is mandatory	
xvi.	Undertaking as per services requirement	

B. Non-Mandatory Certificates

- i. Various types of ISO Certifications (ISO 9001:2015, 14001:2015, 45001:2018, 22000:2005, 27001:2022, etc.)
- ii. CMMI Certification
- iii. OEM Authorization
- iv. DAVP Empanelment
- v. As per Service Specifications
